Become a FRIEND of the LIBRARY

"A library outranks any other
one thing a community can
do to benefit its people.
It is a never-failing spring in
the desert."

-Andrew Carnegie

About the Friends

- The Friends of the Bethel Park Library is a volunteer organization dedicated to advocating for and promoting the library as a vital community resource.
- Our mission is to raise public and private funds while enhancing and supporting the programs and services of the library.
- We encourage volunteerism and work to provide ongoing support for the development, maintenance, and improvement of the library's facilities, resources, and services—both now and for the future benefit of our community.

How the Friends help our library:

- Provide support for library events.
- Donated \$25,000 to the library during September 2025 Love Your Library month, making it possible to purchase and install new ADA-compliant doors.
- Supported the library by funding chairs & tables.
- Updated electronics for the Adult Program Room.
- Donated a memorial tree, which will serve as a lasting tribute to those who cherished the library.
